New Hampton Town Office
Upstairs Meeting Room, 6 Pinnacle Hill Rd.**

Commission members present: R. Leroux, G. DuBois, D. Moore (Chair), R. Pollock, B. Rolfe.
Commission members excused: P. Schlesinger

The Chair opened the meeting at 7:18 P.M.

Commission Chair Moore explained that this special meeting was called to review an additional proposal submitted by David M. Donald Associates for survey work on the K-D, Snake and J.S. The Commission at the August 8th meeting had approved the proposal submitted by Colin Brown of Central Land Surveying. The recent proposal submitted by DMD Associates was considerably higher in price, \$58,000 for all three properties as opposed to Colin Brown's proposal of between \$21,600 and \$25,000. Commissioner Leroux moved to accept the Brown proposal, Commissioner Rolfe seconded and Commission approved unanimously to accept the Brown proposal.

Discussion followed to develop a retainer and contract for Colin Brown of Central Land Surveying. Commissioner Pollock will send Chair Moore a template for contract.

Discussion followed regarding conservation easement inspection on Vezina property, Old Stage Rd. A walk of the property was placed on hold until further discussion with property owner.

Commissioner Leroux suggested applying for grant from Moose plate Fund for development of parking and trail work on Snake River Property.

Meeting adjourned at 7:45 P.M.

Respectfully Submitted,

Gordon DuBois, Secretary
