Dixon Hill Conversation Easement Monitoring Walk
9:00a.m. Wednesday April 6, 2016
Location Tax Map R-19-3A
New Hampton, NH 03256**

Members Present: Gordon DuBois, Richard Leroux, Daniel Moore

Guest Present: Bob Hardy, Forester III/ Access Coordinator Central Region Forest Management, NH Division of Forest Land, and Bob Spoerl, Land Agent, NH Division of Forest and Land.

Located the three stonewall boundaries and walked, approximately, the unmarked boundary line. We discussed the suggested ways of blazing lines and what the marking indicate. The land has a slight to moderate slope in a northerly downhill direction. The forest is mostly hardwood with scattered pine. No apparent wet areas or waterways. Found signs of deer and wildlife traveling through the area. No indication of human activity other than line blazing.

Richard Leroux, Scribe
