Many of us have family relics or heirlooms stored away in our attic, garage or barn. These relics have a story to tell about our family, our community and times gone by. We invite people of all ages to bring an item or two to share the story behind each. These relics are not only an important part of our personal family's past, but have a lesson to teach all of us about life as it was lived years ago. This program will be held at the New Hampton Town House located at 86 Town House Road.
