Article #1

Shall the Town authorize the Board of Selectmen to accept the donation of the New Hampton Grange Hall, and proceed with the relocation and reuse of the building to provide a community focused multi-use building? There is no appropriation of funds with this article.

Note: A March 2017 Warrant Article was presented and approved by the New Hampton Voters at Town Meeting, which authorized the expenditure of \$150,000 to relocate the "Grange Hall" building to return it back to its original location next to the Town House, where it was built in 1826, and to make initial necessary repairs. The Selectmen were also authorized to accept donations, state or federal grants, or other funds that may become available to offset this appropriation.

Another Warrant Article in the amount of \$4,000 was approved with authorization to expend to allow for the evaluation of the building's condition, potential uses and future repair or upgrade costs. Any further town expenditure above the approved \$150,000, would require voter approval.
