FROM: Steven K. Glines, P.E. 
District Construction Engineer

DATE: June 11, 2018
AT: Construction Bureau

SUBJECT: Re: **Meredith-New Hampton-Ashland X-A004(585) 41295**
Painting I-93 Bridges Between Meredith and Ashland

TO: Construction Files *via*
Theodore Kitsis, P.E.
Administrator

MEMORANDUM

Be advised that work on the subject project was started by Eagle Industrial Painting on June 11, 2018. This notice does not mean that the Contractor has started major work, only that they are on site. Major work will not be allowed until the requirements, as noted in 108.03 Pre-construction Activities, have been satisfied and any other permits or approvals are received.
