# Ruth S. Joyce Scholarship Applications

The committee awards Ruth S. Joyce Scholarships to boys who lived in New Hampton or on the River Road in Bridgewater and attended the New Hampton Elementary School or the Newfound Middle School and who are completing secondary school with concrete plans for further education. Such plans may include trade and/or apprenticeship programs, two-year or four-year colleges. Criteria for awarding the scholarships are (1) financial need or hardship; (2) academic achievement; (3) demonstrated leadership; (4) ability to function well with others; (5) pride in school, town, state, and country and (6) perseverance and unselfishness. Applications may be obtained from the Newfound Memorial High School Guidance Office and the New Hampton Town Office and Town Clerk's Office. Applications must be received on or before May 27, 2011.

Most townspeople are familiar with the Ruth S. Joyce Scholarship Food Sales that take place at the Town House during every election. The Committee has tirelessly sponsored these and additional raffles, yard sales, and dinners to increase the amount that can be given in scholarship assistance. In President Pat Provencher's words, "Your efforts will be repaid in the future of our young people". Thank you.
